

Removing The Exemption

*In February 2021, we testified to the Senate Education Committee in support of a bill that would have removed the exemption. In a shocking & disturbing development the bill was met with bold opposition from the very people who claim to put children first!

Why would the following organizations oppose a bill that stops minors from receiving pornography? How do these organizations get their funding?

FACTS AND STATS

- Obscenity is NOT PROTECTED under the First Amendment.
- Violations of federal obscenity laws are criminal offenses.
- Obscenity materials include visual depictions, spoken words or written text.
- Federal law strictly prohibits the distribution of obscene matter to minors including over the internet.
- 51% of children aged 11-13 & 66% of children aged 14-15 reported that they had seen pornography at some point.

What can YOU do?

- Research/Read the materials your children are using.
- Have an open line of communication with any adult providing information to your child and do not be afraid to ask questions or request alternative assignments.
- Knowledge is power, spread the word!
- Educate your elected officials and school board, many are unaware this is happening.
- Get on our mailing list and join us in fighting to close this loophole!

SHAMEFUL TRUTH

Indiana Code **IC 35-49-3-3** makes distributing obscenity and pornography to minors illegal. However, Indiana is 1 of 43 states with an EGREGIOUS EXEMPTION to the law.

The Obscenity Exemption Loophole in **IC 35-49-3-4** provides a defense to prosecution for public schools and libraries that allows them to **distribute obscene and pornographic material to our children.**

How Can This Be?

States passed these statues in the 1970's. They were based on 2 books written by Alfred Kinsey which contained tables of data displaying the number of orgasms in a 24-hour period on children and babies as young as two months old. Kinsey was a pedophile in the United States but was somehow able to hide that from others for many years. **We must right this wrong!**

Examples of Obscenity for Indiana Minors

Children's Nonfiction

SOURCE: **It's Perfectly Normal**,
by authors Robie H. Harris and Michael Emberley.
20th Anniversary Edition (For ages 10 and up)

***NOTE:**
The graphics in the book do **NOT** have these black boxes.

Cartoon obscenity is particularly bad for children, because they have no natural mental defenses while looking at cartoons.

Quote from **It's Perfectly Normal**, "Sexual Intercourse- 'having sex' – can involve the penis and the vagina, or the mouth and the genitals, or the penis and the anus."

Psychological Correlations

***When a child or adolescent is directly exposed to pornography the following effects have been documented:**

- Lasting negative or traumatic emotional responses.
- Earlier onset of first sexual intercourse, thereby increasing the risk of STDs over the lifespan.
- The belief that being married or having a family are unattractive prospects.
- Teens are at a great risk of developing a pornography addiction as their brains are still developing.
- The belief that superior sexual satisfaction is attainable without having affection for one's partner.

Sitting up, Maggie puts her mouth over my cock and gives me head for like twenty minutes, but nothing happens. I try jerking off. I spit on myself and she tries jerking it off. She gives me more head and I still can't get it up.

"F**king great", she snaps.

An hour passes. Nothing.

"Will you at least eat me out?" she asks.

Yeah, I can do that.

So I crawl in between her legs and stick my tongue on her p**y and start to give her head, but like five minutes into it she shoves me away.

"What are you doing, Travis?"

"What?"

"That doesn't even feel good. You didn't touch my cl*t once."

I didn't?

Maggie groans loudly. "Are you a virgin?"

I shake my head.

"Well, you need to learn a few things. I'm serious." She reaches into her nightstand and pulls a dildo out and tells me to put my underwear and pants on.

All The Rage by Courtney Summers

***Rape Scene**

He covers her mouth. That's how you get a girl to stop crying; you cover her mouth until the sound dies against your palm.

He says, okay? Okay.

When he's sure she's going to be quiet, he lets her breathe again.

He tells her, it's okay.

He brings two of his fingers to his mouth and slides them inside it and it makes her want to be sick and maybe if she

pukes, he'll stop. She wills it to happen, it doesn't happen. He takes his fingers out of his mouth and puts that hand between her legs, moving her underwear aside and then--a sharp, unwelcome pressure.

I want to make you wet; he whispers.

She makes the kind of noise she never thought she'd hear herself make, small and pleading whimpers. She closes her eyes, while his fingers stay inside her.

If she can't be sick, she'll just go away.

Look at me, look at me, hey, look at me.

At some point, he moved his hands from there and she comes to herself, her legs are spread open. His pants are down. His weight is on her, heavy. She closes her eyes again. He makes her open them. Wake up, wake up. Wake up because you want this. She doesn't want this. He forces himself inside her. She's tight and she's dry.

It hurts.

Open your eyes.

But it hurts.

Open your eyes.

She's sick then, five-six-seven-eight-nine shots coming out of her. Her body doesn't make sense to her, can't move when she wants it to move, but this? She turns her head to the side and vomit spills out of her mouth, pooling in the ridges of the truck bed and he swears, but he doesn't stop. It's hurt him too much if he stops. They can clean up together, after. Like that's a promise, like she'd want it. Not that it matters, because he'll leave her there anyway, half-awake and raw, her mouth bitter. Her head is so heavy. Why isn't this over yet? She closes her eyes and he makes her open them again.

Look at me, look at me, hey--"Romy--"

Wake up, wake up. Wake up from this, wake up from this. But it's never over and she can't stop making those sounds and he says--"Romy"-- and I push at this shoulders and his eyes are on me, lingering on my mouth and my nails but he sees past them, he sees the dead girl and says "Romy" and brings her back.
